Dear Jie Shen,

From behalf of Ural Federal University we appreciate your work on developing of ASRTU. We think that the most important thing for all members of ASRTU is to establish efficient collaboration to improve international scientific projects.

It was a pleasure to meet you in September 2014 in St. Petersburg on The ASTRU event.

We kindly ask you to let us know if any of our proposals were interesting for you or for scientists in your University. We can provide an electronic version of our Proposal for the Research, Design and Development Activities.

We hope for long term cooperation.

We anticipate for your reply, so that we could start to discuss possible ways of cooperation. I encourage you to contact me with any questions or concerns.

Best regards,

Vladimir Kruzhaev
